With a FCM account, you can:

- Earn attractive interest rates on your investment balances that are exempt from state and local taxes.
- Increase earned interest by converting non-interest bearing accounts into an interest bearing money market account.

- Eliminate manual fund transfers between your GreenStone operating loan and a separate investment account.
- Access funds 24 hours a day, seven days a week, through GreenStone's Online Banking system via [www.greenstonefcs.com](http://www.greenstonefcs.com).
- Exclusive to Farm Credit members.
