

United

# Producers, Inc.

United Producers is one of the largest farmer-owned livestock marketing cooperatives in the United States. We were formed in 1934 and serve more than 30,000 livestock producers throughout the Midwest. We provide services and solutions for cattle, hogs, sheep and goat producers through a variety of options, including the following:

## Livestock Marketing:

- Specialized movement of cull livestock
- Livestock transportation and logistics
- Procurement options for breeding and feeder livestock
- Weekly auction marketing and collection points
- Fed and feeder cattle sales, including internet feeder cattle sales
- Direct sales and marketing
- Order buying services

## Credit Services:

- Full service agricultural lender
- Expertise in livestock and crop operating loans
- Expertise in farm real estate loans
- Short-term and long-term loan options
- Competitive variable and fixed rates

## Risk Management:

- Futures - including hedging agreements and put options
- Packer contracts
- Retail brokerage services
- Managed contracts
